# TERMS AND CONDITIONS

**Last Updated:** 18<sup>th</sup> December,2025

These Terms and Conditions (“Terms”) govern the access to and use of **trustNshare** (“Platform”, “we”, “our”, “service”). **trustNshare** is a secure data-sharing and controlled-access platform designed to protect sensitive information and regulate user interactions. By accessing or using the Platform, you confirm that you have read, understood, and agreed to these Terms. If you do not agree, you must not use the Platform.

## 1. Introduction

**trustNshare** is designed to securely manage, monitor, and regulate data sharing within organizations. The Platform implements role-based access control, centralized monitoring, intelligent detection mechanisms, and immutable audit logging to ensure secure and transparent operations. These Terms apply to all users, irrespective of their assigned role or privilege level.

## 2. Eligibility and Authorization

Access to **trustNshare** is restricted to users who are officially registered and authorized by the system administrator. User permissions are granted strictly based on assigned roles and organizational responsibilities. Any unauthorized access, attempted access, or misuse of credentials is strictly prohibited.

## 3. User Account Responsibilities

Each user is responsible for maintaining the confidentiality and security of their account credentials.

You agree to:

- Use only your assigned account
- Safeguard your password and not share it with others
- Immediately report suspected unauthorized access

You remain fully accountable for all actions performed under your account, whether authorized or unauthorized.

## 4. Role-Based Access and Privileges

trustNshare operates using a structured role-based access control (RBAC) model. Each role determines the level of access to data and platform features.

Roles include:

- **Owner** – Full administrative and operational control
- **Admin / Supervisor** – Elevated privileges with limited administrative authority
- **Manager** – Restricted operational access
- **User / Employee** – Basic access limited to assigned tasks

Accessing data or functionality beyond assigned permissions constitutes a violation of these Terms.

## 5. Acceptable Use of the Platform

You agree to use trustNshare only for lawful, authorized, and legitimate organizational purposes. You must not:

- Compromise or attempt to weaken system security
- Upload or distribute malicious content
- Alter, disable, or interfere with system components
- Attempt to bypass access controls or monitoring mechanisms
- Access, download, or modify data outside your role

Any misuse may result in access suspension, termination, or legal action.

## 6. System Monitoring and Activity Logging

All interactions with trustNshare are monitored and logged. By using the Platform, you acknowledge that:

- All activities—including authentication attempts, data access, modifications, and violations—are recorded
- Logs are immutable and cannot be altered or deleted by users
- Authorized administrators may review logs for security, audit, or investigative purposes
- Platform usage is subject to continuous monitoring

This monitoring ensures accountability, transparency, and system integrity.

## **7. Data Security and Protection**

trustNshare employs encryption, access controls, secure routing, and continuous monitoring to protect sensitive data. Users must:

- Follow established security policies and best practices
- Avoid transferring data outside approved environments
- Not bypass validation, inspection, or protection mechanisms
- Maintain strict confidentiality of sensitive information

Any violation that compromises data security may lead to severe consequences.

## **8. Intelligent Monitoring and Anomaly Detection**

trustNshare uses intelligent monitoring techniques to detect suspicious or abnormal behavior. You acknowledge that:

- Automated alerts may be triggered for unusual access patterns or policy violations
- Temporary restrictions may be applied during security investigations
- Monitoring mechanisms exist solely to enhance platform security and protection

These systems are not intended for personal profiling or evaluation.

## **9. Prohibited Conduct**

Users must not:

- Attempt to breach, exploit, or hack the Platform
- Escalate privileges without authorization
- Interfere with network traffic or gateway operations
- Manipulate, destroy, or falsify data or logs
- Impersonate other users or misuse credentials

Detected violations may result in immediate access revocation.

## **10. Confidentiality and Data Ownership**

All data stored, processed, or accessed through trustNshare remains the property of the respective organization or institution. Users must treat all accessed information as confidential. Unauthorized disclosure, duplication, or external sharing of data is strictly prohibited.

## **11. Limitation of Liability**

trustNshare is provided to facilitate secure data sharing and controlled access. While reasonable security measures are implemented, we are not liable for:

- Losses arising from user negligence
- Breaches caused by shared or compromised credentials
- Data corruption due to misuse
- External attacks beyond reasonable control
- Temporary service interruptions

Users are responsible for complying with all security guidelines.

## **12. Suspension or Termination of Access**

Administrators reserve the right to suspend or terminate access without prior notice if:

- These Terms are violated
- Unauthorized or suspicious activity is detected
- System security or integrity is threatened
- Repeated unacceptable behavior occurs

## **13. System Maintenance and Availability**

trustNshare may undergo maintenance, updates, or security enhancements. Temporary service interruptions may occur, and uninterrupted availability cannot be guaranteed.

## **14. Updates to Terms**

These Terms may be updated periodically. Continued use of trustNshare after such updates constitutes acceptance of the revised Terms.

## **15. Governing Law**

These Terms are governed by the policies of the organization or institution operating trustNshare and applicable legal frameworks.

## **16. Contact Information**

For questions, concerns, or clarifications regarding these Terms and Conditions, please contact:
